Creek District.

There is a great rumpus in Norfolk county politics about this time, and while the coutest is for the nominations of a Democratic convention, it appears to be a "free-for-all" affair, in which Republicans and Prohibition ists are important factors.

Norfolk county politics has been in a very unsettles state for some years. The question at every election has been fusion or no fusion, Generally the fusionists have won and the conventions have made nominations for a part of the officers, adjourning with out completing the ticket, and in the blanks Republican names have by some hoens poeus arrangement appeared. The ticket thus agreed upon has always been elected.

The election will take place in May, nevertheless fusion or antifusion is already discussed, and has created much bitterness.

The County Committee at its meet ing last week declared to a man in favor of a straightont Democratic ticket. This would apparently settle the matter, but it does not, however, as the issue will be determined in the convention.

He is also booked for addresses at Cross Roadsand other points. It is said that a large audience will be present to-night to hear him denounce coalition of Republicans and Democrats, and urge his hearers to stand by the party of Jefferson, Madison and Barbour.

The Democrats of Lambert's Point met last night and organized a club with the following officers: Jos. Ferguson, president; John Lufsey, vice-president; W. E. Terry secretary; R. B. Ploss, treasurer; C. C. Bright, sergeant at-arms; R. Hollow, assistant secretary. The club adjourned to meet at Zion's Church schoolhouse to-morrow night at 7:30. The Police Justice had a case before him yesterday which may terminate seriously. It appears that Tuesday night Officer Woodhouse arrestat a young man mamad Charles Williams for being drunk. It is said that Williams resisted and was struck by the officer with his billy and then carried to the station and locked up.

Mr. William Waller, who witnessed the affair, called at the station and said he desired to prefer charges against the officer for assaulting a citizen. Mr. Woodhouse asked what he meant by interfering with him in the discharge of his duty and placed Mr. Waller under arrest, and he was locked up by Capt. King, but later bailed out by Justice Ashburn. In the Police Court yesterday Mr. Williams charged Officer Woodhouse with felonions as sault and he was placed under a bond of \$100 for his appearance Friday at 12 o'clock. Messrs. Williams and Waller were each bailed for \$20.
